

Books to support our learning.

**Communication, Language & Literacy**

In daily phonics sessions we will develop our knowledge of general sounds, spelling, writing and ability to decode and segment words in line with individual targets. Those doing literacy will be working on recounts. We will take part in weekly supported reading sessions and pleasure reading sessions, as well as reading 'The Ugly Five' as a whole class.

Judith Kerr

**Numeracy & Problem Solving**

This half term we are looking at multiplication and division, we will be looking at a variety of aspects such as times tables (counting in 2's, 5's and 10's) some of us will be looking at other times tables. We will also be looking at how we can use arrays etc to solve problems and how we can solve division sums.

**Animal Antics**

**Science**

**Animals including Humans**

In our science topic, we will be learning about the differences between adults and humans. We will be learning about how animals stay alive and how we keep ourselves healthy. Alongside this, we will be looking at both animal and human life cycles.

**Geography**

**Sensational Safari**

This half term we will be exploring a variety of different animals and their habitats. We will be learning what a habitat is, the differences between where an animal lives and where a human lives and looking at human and physical features. We will also be developing our understanding of different weathers.

**Therapeutic Input**

Those who receive input from SaLT and Thrive will continue to do so. We will have regular sensory breaks between lessons this half term and create our own individual regulation toolkits.

**Computing**

**Coding**

In computing we will be learning how to code. This will include learning how to set timers, give instructions and debug a program.

**The Arts**

**Printing and Textures**

This half term we will be looking at how we can expand our art skills by investigating printing. We will be introduced to new tools to create patterns and explore textures and we will be creating our own stamps.

**Physical Education**

**What can my body do?**

In addition to our weekly swimming sessions in PE we will be developing our skills of team work and resilience.

**PSHE, Enrichment & Ways to Wellbeing**

**Dreams and Goals**

In our PSHE lessons, we will be working on our emotions and self-regulation skills. We will also be setting goals, identifying successes and achievements. Working well and celebrating achievements with a partner and tackling new challenges and identifying and overcoming obstacles.
