

**Class: Hedgehogs**

**Barndale Learning Plan**

**Term: Summer 1**

**Books to support our learning.**

**Communication, Language & Literacy**

In daily phonics sessions we will develop our knowledge of general sounds, spelling, writing and ability to decode and segment words in line with individual targets. Those doing literacy will be working on Persuasive texts and writing. We will take part in weekly supported reading sessions and pleasure reading sessions. Our class reading book is Paddington and The Grand Tour.

**Science**

**Everyday Materials.**

In Science this half term we are looking at everyday materials. We will be starting to distinguish between an object and the material it is made of. We will begin to name a variety of everyday materials, including wood, plastic and metal. We will also be learning about the properties of these materials, so we will be able to say if they are hard, soft, shiny or dull.

**PSHE, Enrichment & Ways to Wellbeing**

**Friendships.**

This half term we will be looking at family and friendships. We will look at own family and why they are special and important to us. We will also say what makes a good friend and what doesn't alongside thinking about how we are good friends.

**The United Kingdom**

**Humanities**

**The United Kingdom.**

In our Geography topic this half term we will be looking at The United Kingdom and learning all about its four countries. We will also be developing our understanding of our local area.

**Therapeutic Input**

Those who receive input from SaLT and Thrive will continue to do so. We will have regular sensory breaks between lessons and have our Attention Autism sessions alongside Rebound Therapy.

**Numeracy & Problem Solving**

We are starting the new half term with multiplication and division. We will be consolidating work we started in Spring 1. We look at the multiplication symbols, arrays, groups of, lots of and doubles and halves.

**Computing.**

**Creating Pictures.**

This half term we will be learning how to paint a picture on our computers. We will learn about different artists and see if we can re-create their work using different techniques on the computers.

**The Arts**

**Sculptures.**

In Art and DT we will be learning all about Sculpture and some famous sculptors. We will make our own sculptures using a variety of unusual materials ranging from bread, sugar cubes and marshmallows.

**Physical Education**

**Tennis.**

This half term we will be looking at developing our racket and ball skills. We will learn how to hold a tennis racket, how to hit the ball and we will begin to learn to catch the ball.
