

Class: Seahorses

Barndale Learning Plan

Term: Summer 2

Books to support our learning.

Communication, Language & Literacy

In phonics, we will develop our knowledge of sounds, spelling, writing and ability to decode and segment words in line with individual targets. We will be focusing on fairy tales in Literacy. We will take part in daily supported reading sessions and pleasure reading sessions. Our class-reading book is Vlad and the Great Fire of London.

Science: Properties of Materials

In Science, we will continue to describe and classify the physical properties of everyday materials. We will perform simple tests and begin to understand what recycling is.

Computing: Creating Pictures

We will use a painting program to replicate the style of various famous artists and art including pointillism and surrealism.

PSHE, Enrichment & Ways to Wellbeing: Changing Me

This half term we will be looking at how animals and humans change as they grow and get older. We will link this to thinking about transitions.

The Great Fire of London

History: The Great Fire of London

Our topic this half term is The Great Fire of London. We will learn how and where the fire started, how the fire spread so quickly and what life was like in the 17th Century.

Physical Education: Athletics & Swimming

This half term we will be developing our athletic skills. We will explore throwing, catching, running and jumping. We will continue to develop our water confidence and swimming skills 😊

Numeracy & Problem Solving: Shape & Time

We will be learning the properties of 2D and 3D shapes and where we find these in our environment. We will talk about our routines and what time of day they happen. Then we will learn all about the hands on the clock and the intervals around the edge of the clock. We will look at telling the time to the hour and half hour.

The Arts: Collage

In Art and DT, we will be exploring collage. We will use different materials to create different textures and layers in our collages. We will also learn about the history of collages.

Therapeutic Input

Those who receive input from SaLT and Thrive will continue to do so. We will have sensory breaks between lessons and have our Attention Autism sessions alongside Rebound Therapy.

Dough Disco & Drawing Club

We will strengthen our fingers with daily dough disco sessions and fine motor activities. We will listen to a story and develop our imagination through drawing and talking about it.
