

**Class: Dolphins**

**Barndale Learning Plan**

**Term: Autumn 2**

**Books to support our learning.**

**Communication, Language & Literacy**

In literacy, we will be focusing on poetry. We will read and discuss a range of poetry and learn to identify onomatopoeia, rhyme, alliteration and similes. We will explore poetry in different contexts such as performance poetry and music and write, edit and improve our own poems.

**Science**

**What is in our solar system?**

In science we will be exploring our solar system. We will begin to understand how ideas about our solar system has changed over time, learn to name the celestial bodies of the solar system and discover information on the eight planets. We will learn how the movement of the earth and the moon impact day, night, seasons and shadows.

**PSHE, Enrichment & Ways to Wellbeing**

**Why is it important to treat everybody with respect?**

In PSHE, we will be discussing our differences. We will explore differences in culture and understand what is meant by racism. We will how differences can be the source of bullying. We will learn to define and identify racism and identify why we should accept that everyone is different.

**Anglo-Saxons / Vikings**

**Humanities**

**Who were the Vikings?**

In history we will learn about the Viking Age in Britain. We will find out about the Viking raid on Lindisfarne and discover some of the reasons why they raided Britain. We will explore how the Vikings changed the life in Anglo-Saxon Britain and study some significant figures such as Alfred the Great. In RE we will answer the question: has Christmas lost its true meaning?

**Therapeutic Input**

Alongside any OT and SaLT we be using lego therapy to help us build our communication skills. We will continue with our weekly keyboard lessons.

**Numeracy & Problem Solving**

This half term we will be applying our knowledge of number to be able to add and subtract. We will use practical resources to support our understanding of adding increasingly larger numbers and use our skills to solve problems.

**Computing**

**What is an online blog?**

This half term we will discuss the potential risks and consequences of not following online safety rules. We will learn what is meant by digital footprint, online reputation, boundaries and sharing online.

**The Arts**

**How can colour show inspiration and feelings?**

In art we will be using paint to learn about colour. We will learn what is meant by primary colours, how to make secondary colours and understand what is meant by tints and shades. We will discover how colours can evoke a certain feeling or time of year and create artwork based on this.

**Physical Education**

**Can fitness be fun?**

In PE we will be learning about volleyball. We will be out in the community on bikes using cycle paths as well as taking part in weekly Commando Joes sessions.
