

Communication, Language & Literacy

How do we communicate?

LC- Constructing simple sentences

LC – Record a recount using a preferred method

We will build upon knowledge and understanding of grammatical and punctuation skills to construct sentences. We will be sharing personal experiences and using different methods of communication to recount them.

Phonics – In daily phonics sessions we will develop our knowledge of general sounds, spelling, writing and ability to decode and segment words.

Science

What is a healthy well balanced lifestyle?

LC- Healthy Me LC – Healthy Living

We will be exploring and engaging in activities to promote a healthy lifestyle. We will explore the importance of a well-balanced lifestyle of diet and exercise physically and mentally.

PSHE, Enrichment & Ways to Wellbeing

PSHE

Is our mental health as important as our physical health?

LC –Understanding the importance of hygiene and taking care of myself

We will be learning how to undertake tasks to promote good personal hygiene and ways to care for ourselves physically and mentally. We will explore ways that help us stay regulated and ways to express our emotions positively.

Citizenship

How do different cultures celebrate?

LC Recognising different cultures and their celebrations

We will be learning about and actively engage with a wide variety of different cultures, this will be through music, dance, food and stories

LIFESKILLS CHALLENGE

This half term all students in Fawn class will be working towards a range of cross curricular accredited units from the **ASDAN Lifeskills Challenge scheme**

On completion of each **Lifeskills Challenge (LC)** students will be awarded a certificate outlining skills and processes demonstrated

Humanities

How does different types of weather affect farming?

LC – Identifying and measuring weather

We will be investigating different types of weather and ways we can measure weather. We will explore the affect of climate change and what it is doing to our planet.

Preparation for Adulthood

What are the benefits of learning to cook for myself?

LC -Cooking and preparing food and drink for myself and others

We will be building upon knowledge and understanding on how to follow recipes. We will demonstrate skills needed to carry out tasks safely in a kitchen. We will follow food hygiene rules.

Numeracy & Problem Solving

How do we use number in everyday life

LC – Understanding and using number

We will develop skills and knowledge to use number to 100

LC – Understanding and using numbers to 30

LC-Understanding and using numbers up to 20

LC– Joining in early number activities

We will develop and build upon skills needed to understand addition and subtraction calculations

Lifeskills

Why is it important to learn lifeskills in the home?

LC – Doing the laundry

We will be learning to carry out practical cleaning and laundry tasks. Building on using communication to work as part of team.

The Arts

Is graffiti a form of art?

LC –Graffiti

We will be exploring and creating our own graffiti.

Physical Education

In PE we will be developing our skills of team work problem solving and resilience.

Therapeutic Input

Those who receive input from SaLT and Thrive will continue to do so. We will have regular sensory breaks between lessons this half term and explore a range of sensory regulation tools.
